Dear Name,

Thank you for allowing me the privilege of sharing the Word of God with your congregation this past weekend and for the offering that your church provided me with.

It was a joy to be among your people, for I really sensed an openness from them and felt that they received the message well. I was also deeply grateful to the Lord for the beautiful way that He manifested His presence and moved powerfully in their lives during the personal ministry time at the close of the service.

I hope to be given the opportunity to share again at some point in the future. Until then, I will be remembering you and your congregation in prayer, asking the Lord to pour out His grace upon you each.

Sincerely,

Name
